WHY CHOOSE LEAD?
With 30 years of experience, the legal education division of the LSSA understands the needs of a modern-day law practice.

LEAD offers a wide range of top-quality courses, seminars and diploma programmes designed to give legal practitioners the knowledge and skills to manage their practices successfully.

The Attorneys Fidelity Fund provides funding to make these activities affordable to the profession.

Introduction
The LSSA and the UNISA Centre for Business Law (CBL) jointly offer two accredited postgraduate, distance-education “Short Learning Programmes” to legal practitioners.

These “Short Learning Programmes” are in the form of certificate courses and have been developed by the UNISA CBL to update or broaden a law practitioner’s skills and knowledge in specific fields where having up-to-date knowledge is essential to practise. This underscores the LSSA’s commitment to provide life-long learning and assist the legal practitioner with his/her continuing professional development.

It is important to note that Short Learning Programmes are, by nature, short and are not formal qualifications.

Postgraduate courses
The two courses are:
1. Corporate Law (NQF level: 7; Credits: 24);
2. Deceased Estates Practice (NQF level: 7; Credits: 24)

Closing date for registration: 10 February 2014.

General details for both courses
Individual course details and the registration form are found on the accompanying pages.

Tuition material
Tuition material has been compiled by the UNISA CBL in consultation with the LSSA.

Registration and administration
Student registration and course administration is done by Legal Education and Development (LEAD), the educational division of the LSSA.

Determination of learning outcomes
A consultative process between the LSSA and UNISA CBL has been undertaken to determine the needs and priorities of each course.

Assessments
The formative assessment and examination admission comply with UNISA’s formative assessment rules and policies.

Method of Tuition
- LEAD provides students with the study material via e-learning platform (e-LEADer) to work through on their own.
- Students submit their assignments to LEAD via e-LEADer.
- Assignments are returned to students together with comments and guideline answers.
- At least one workshop is arranged for students, provided there is enough interest in an area to make it financially feasible. The workshops are facilitated by the programme presenters.
