LABOUR LAW SEMINAR | 2019

Case law update – all you need to know and more

About this seminar

The seminar will focus on discussions on binding and important judgments handed down within the past year. Participants will receive summaries of the judgments discussed, which will include extracts from the decisions under review.

In approaching each judgment, the presenter will detail a certain scenario and ask participants what they, as practitioners, would do under such circumstances. Once all views and approaches have been discussed, participants will be referred to a judgment to see how the courts have deliberated on the same or similar set of facts.

Seminar participants will be supplied with comprehensive documentation.
