

Case Management in our Courts

A NEW DIRECTION

Ismail Hussain SC
Etienne Barnard
Brendan Hughes
L.E.A.D. Guide

Introducing a new **LEAD Guide** on the latest enhancements to **Case Management in our Courts**

The book is a new publication “hot off the press” with the very latest on case management developments.

More about the book

An essential introduction for attorneys to the concept and practice of case management. The book is intended to assist you with the new direction that dispute resolution has taken. It has been written by experienced practitioners who will lead you through the steps an attorney is required to take for a case to be certified as trial ready. You will learn how to apply case management techniques from the point of taking instructions to argument in a trial.

Also included:

- The importance of using accepted best practice for resolving disputes quickly and at reasonable cost.
- Guiding attorneys regarding contingency fees as well as FICA and CPA compliance.
- The introduction of electronic litigation to show you how to deal with e-discovery and presentation of electronic documents.

The Future of Dispute Resolution
