Diamond Haven, 'n deeltitelskema wat bestaan uit 9 Eenhede (Dele) is op Erf 81 Montrose, KwaZulu Natal Provinsie ontwikkel. Die Ontwikkelaar, Jack Hunt, het al 9 Eenhede aan verskillende kopers verkoop en oorgedra. MnR Hunt het nie 'n Reg tot Uitbreiding van die skema kragtens die bepalings van artikel 25 van die Deeltitelwet aan homself voorbehou nie. Die eienaars van die 9 Eenhede het almal verbande geregistreer oor hulle Eenhede ten gunste van verskeie banke/finansiële instellings.

Die 9 Eenhede is so opgerig dat 'n groot gedeelte van Erf 81 Montrose onbeset gelaat is. Die titelvoorraades en sonering van die Erf laat dit toe dat nog 5 Eenhede op die onbesette gedeelte van die Erf ontwikkel kan word. Die 9 geregistreerde eienaars maak glad nie gebruik van die onbesette gedeelte nie.

Buzz Trade BK nader die 9 geregistreerde eienaars met 'n aanbod om die reg om die verdere 5 Eenhede op eie koste te ontwikkel te koop, welke aanbod die eienaars aanvaar.

QUESTION 1

[15]

A sectional title scheme, Diamond Haven, consisting of 9 Units (Sections) has been established on Erf 81 Montrose, Province of KwaZulu Natal. The Developer, Jack Hunt, has sold and transferred all 9 Units to various Purchasers. Mr Hunt did not reserve a Right to Extend the scheme in terms of section 25 of the Sectional Titles Act. The owners of the 9 Units have all registered Mortgage bonds over their Units in favour of various financial institutions/banks.

The 9 Units have been erected in such a way that a large portion of Erf 81 Montrose has been left vacant. In terms of the title deed conditions and zoning it is possible to erect another 5 Units on the vacant portion of the Erf. QUESTION 3

[20]

Katlego Maboe is a promising young cricketer whose dream is to play for the South African national team, the Proteas. He has played two seasons of county cricket in England, where he met the love of his life, Alicia Brown, a successful model. Katlego and Alicia have decided to get married, but face a number of challenges:

- Alicia is only 17;
- Alicia has built up a substantial estate through her modelling career, consisting almost exclusively of investments, managed by her father;
- They wish for South African law to govern their marriage, although Katlego may well become a UK citizen should he not achieve his goals, in South Africa;
- Katlego and Alicia are aware thereof that the arrival of children will put an end to her career. They have decided that they will postpone the arrival of children for at least ten years, from which point they believe they should share equally in the growth of any assets;
- Alicia's father John is convinced she is making a mistake, but will reluctantly give his blessing to the marriage provided that the antenuptial contract includes testamentary provisions in terms of which Katlego bequeaths his entire estate on his death to Alicia or, should she predecease him, to any children born of their marriage;
- John also requires that Katlego should not at any stage be able to lay any claim to Alicia's investments.
- Katlego is amenable to this condition, but subject thereto that any benefit that he is to receive from his family trust, which he in any event wishes to exclude from any accrual calculation, is excluded from this bequest.
- As Katlego survives on sponsorships, Alicia wants to donate to him an amount of £50 000 on their wedding day. This amount
